

Manx National Heritage Wins 5 Tripadvisor Travellers' Choice Awards 2024

Manx Museum, the Great Laxey Wheel, Castle Rushen, House of Manannan and Peel Castle recognised as Traveller-Favourites

Manx National Heritage is delighted that five of our national heritage sites have been-recognised in Tripadvisor's® Travellers' Choice® Awards for 2024. The award honours businesses that consistently earn great reviews, placing them among the top 10% of listings around the world on Tripadvisor.

The awards are based on genuine feedback from anyone in the community who has visited and left an authentic, first-hand review on Tripadvisor over a 12-month period, making it a valuable and trustworthy designation of great places to visit.

Pauline Wall, Head of Operations for Manx National Heritage said:

"We are honoured to be included among travellers' favourites this year and extend our thanks to our many visitors for their feedback and reviews. We couldn't have done this without the support of our staff teams, volunteers, visitors and supporters – thank you all".

Connie Lovel, Executive Director for Manx National Heritage added:

"We are delighted to have received this global recognition. It is a constant challenge to adequately fund the necessary conservation, preservation and promotion of our many historic sites, to ensure they are appropriately maintained and protected for future generations to enjoy. As a conservation charity, this award is a heart-warming reminder of the value placed upon the quality of the Island's

heritage attractions by our visitors, and it gives recognition to the high quality of visitor experience delivered by our teams to all our visitors, from near or far”.

John Boris, Chief Growth Officer at Tripadvisor said:

"Congratulations to the Manx Museum, Castle Rushen, Laxey Wheel, the House of Manannan and Peel Castle on their recognition in Tripadvisor's Travellers' Choice Awards for 2024.

Travellers' Choice honours businesses that consistently demonstrate a commitment to hospitality excellence. This means you have made such a memorable impact on your visitors that many of them took the time to go online and leave a great review about their experience. People rely on Tripadvisor's Travellers' Choice seal to help them navigate the myriad of things to see, eat and do across the globe. We hope this recognition continues to drive business to you in 2024 and beyond."
